(d) No.

(e) Vide answer (d).

**Mr. T. A. Ramachandra Ayyar.**—Was any amount spent for the improvement of the Irinjalakkuda Town?

**Diwan Bahadur Dr. V. Verghese.**—Nothing more than I am aware of, except what is stated in the answer.

**Mr. T. A. Ramachandra Ayyar.**—Why was no amount spent and why was no contribution made to the Irinjalakkuda Town? Is it because there was no request for the same?

**Diwan Bahadur Dr. V. Verghese.**—First of all, there was no request, and secondly, even if there was any request for contribution, it is the Government to fix the contribution, and Government cannot grant more than what is required. We have spent only on the market. In 1098 we spent a sum of Rs. 2,500

for constructing a big market. We have been improving and adding to the same. So that in the answer you will find that in 1098 we spent Rs. 2,600 and odd, in 1099 Rs. 760 and odd, in 1100 Rs. 210 and odd, in 1101 Rs. 1,000 and odd and in 1102 Rs. 903 and odd. All these sums were spent on improvements and additions to the market. And I am not aware of any other sum being spent on the improvement of the town.

**President.**—Did the Panchayat spend any amount for the improvement of the Irinjalakkuda Town?

**Mr. I. Raman Menon.**—Year before last, the Kuttankulam in the Irinjalakkuda Town was cleaned by the Public Works Department.

**President.**—Then, I think, the Panchayat is trying to capture all apes by bribes.
